## Meetup is Recognized on “Best Places to Work” List

*The platform known for bringing people together brings its employees together through team outings and 50 other employee perks*

**NEW YORK, NY/March 1, 2023**—Meetup, the leading platform that connects people over shared interests at events, has been named as one of the 50 best places to work in New York City for 2023 by [BuiltIn](#). This honor was earned due to Meetup’s strong culture of community and employee recognition. Meetup team members are eligible for more than 50 benefits and perks, including competitive retirement benefits, professional development opportunities, and a documented equal pay policy among others.

The celebrated platform launched in 2002 and has more than 60 million members globally, all managed by an extremely talented team of 90+ employees full time employees and a number of contractors all over the world that support the overall operations.

“We are a team at Meetup,” explains Meetup CEO, David Siegel. “I think of myself as the coach and leader to an amazing team of smart and dedicated teammates sharing the same mission of fostering human connections through our platform.”

Below are a few of the employee benefits offered by Meetup, and the complete list can be found in the feature by [BuiltIn](#) here (<https://builtin.com/company/meetup/benefits>):
